## NOTICE OF PRE-QUALIFICATION

**Pelabuhan Tanjung Pelepas Sdn. Bhd (328719-K)** is a large transshipment container terminal operating in Malaysia. The current port offers 14 berths totalling 5.04km of linear wharf length and associated container stacking yard area. The Free Zone area comprises 5 phases of development plan with the total acreage about 1,600 acres was built up to support PTP's business. PTP wishes to invite qualified and experienced contractors with the following expertise to participate in the following tenders exercise. Only shortlisted Contractors will be notified to proceed to the subsequent stage of Invitation to Tender.

### TOTAL TYRE MANAGEMENT

#### PROJECT OVERVIEW

PTP would like to establish a Total Tyre Management contract ("the Services") where the appointed Vendor will be responsible for the replacement and the maintenance of the tyres. This includes supply of tyres, assembly, disassembly, maintenance and monitoring of the tyres.

The Vendor is expected to use their technical know-how to achieve best economical solution for safe management of the vehicles and strive for continuous improvement of tyre lifetime and lean processes.

**CONTRACT PERIOD:** 5 years with option 2 years extension

#### PRE-QUALIFICATION REQUIREMENT

- 1) Local applicant shall be registered with Suruhanjaya Syarikat Malaysia (SSM).
- 2) Applicant from foreign company shall be registered with respective country and to provide all registration certificates.
- 3) Applicant with no litigation or dispute has been instituted against the company and / or its directors.
- 4) Applicant must have at least a minimum of 5 years' global experience in routine Total Tyre Management and engineering similar works with a minimum value of RM4 million in a single contract completed within the last 5 years.
- 5) The interested Vendor must have experience servicing tyres of multiple vehicle fleet including maintenance and the delivery of the tyres to the multiple location within PTP.
- 6) Applicant shall provide and have a high quality track record especially on safety performance.

### TOTAL WIRE ROPE MANAGEMENT

#### PROJECT OVERVIEW

PTP is looking for a Contractor to undertake planned and unplanned wire-rope change activities for its port cranes under a Total Wire-Rope Management contract.

This includes the provision of wire ropes supply, labour, supervision, tools, equipment, transport and other necessary facilities for installing and lubricating the wire ropes on PTP's Quay Cranes (QC), and Rubber Tyre Gantry Cranes (RTG).

Apart from routine wire-rope change, the Contractor is also expected to participate in any breakdown related to wire-rope issues to complete the rope change and other related works. The Contractor also shall provide the necessary tools for safe recovery of the crane.

**CONTRACT PERIOD:** 5 years with option 2 years extension

#### PRE-QUALIFICATION REQUIREMENT

- 1) Local applicant shall be registered with Suruhanjaya Syarikat Malaysia (SSM).
- 2) Applicant from foreign company shall be registered with respective country and to provide all registration certificates.
- 3) Applicant with no litigation or dispute has been instituted against the company and / or its directors.
- 4) Applicant must have at least a minimum of 5 years' global experience in routine Total Wire-Rope Management and engineering similar works with a minimum value of RM4 million in a single contract completed within the last 5 years.
- 5) The interested Vendor must have experience and expected to be familiar with port cranes, its wire ropes reeving system and wire-rope change activity.
- 6) Applicant shall provide and have a high quality track record especially on safety performance.
